

Below are a few reminders to our Before & After Families before our last day!

Rec is open tomorrow, 6/20 before school and open for the afternoon session at 12:30pm for the early release day! Please stop in during our final program hours to check the lost & found, pick up any stored medication, make a payment on your account, and sign out your child's 2019 summer packet if you have not done so!

Rec is **closed** Friday, 6/21 for employee training and summer program setup.

Outstanding balances on www.hermonrec.com accounts must be paid by Friday, 6/21. Accounts left with unpaid balances will be suspended which will prevent the ability to participate or register for future programs until payment is received.

2019-20 Before & After School Program details will be released mid-July! Do you have a child going to 5th grade at HMS in the fall? The Before & After School Program will be available to 5th graders beginning 2019-20 school year. More information will be available mid-July.

The **K-6 Summer Program** begins on Monday, 6/24 and all spots have been filled! A wait list is available on our website if you are interested in any openings that may become available.

Don't forget to check out the multiple trips offered through **Youth Summer Day Trips** for all incoming 3rd-8th graders from Hermon, Carmel & Levant! Your child does not have to be a summer program member to register for day trips.

Thank you for choosing Hermon Recreation for your before & after school needs this school year!

If you have questions or concerns, please contact me: ouellette@hermon.net or 478-0297.

Thanks,

Lindsey Ouellette
Program Director
